## **EXECUTIVE MBA IN HEALTH MANAGEMENT AND POLICY**

#### Overview

The University of Miami Herbert Business School Executive MBA in Health Management and Policy Program prepares graduates for positions of leadership in health care and health-related organizations. The program focuses on the post-graduate educational needs of professionals already fully employed in the health care industry, as well as those aspiring to careers in the field. Combining its strengths in graduate business education and its close relationships with the South Florida health care community, the program teaches practical administrative skills as well as broad strategic and theoretical perspectives to students who wish to expand their knowledge of management and administration as applied to the health care industry.

To obtain detailed program admission information, please reference the program brochure which can be requested by contacting Graduate Business Admissions at 305-284-2510, by emails @mba@miami.edu, or by visiting the Miami Herbert Business School website (https://herbert.miami.edu/graduate/find-and-compare-programs/health-executive-mba/).

#### **Admission Requirements**

The MBA Admissions Committee welcomes applications from individuals with a bachelor's degree (or the equivalent of a U.S. bachelor's degree) from an accredited institution. Acceptance is based upon an evaluation of all credentials presented by the applicant.

The following is a list of the required conditions as well as the required documents for your application for admission.

- · Completed application for admission submitted through BusinessCAS
- · A baccalaureate degree from an accredited institution
  - · Official academic transcripts from all previously attended post-secondary institutions must be submitted directly to BusinessCAS.
  - Academic transcripts from institutions outside of the United States must be verified by an approved international credentialing evaluation service such as World Education Services to confirm degree equivalency and GPA calculation.
- · Current resume outlining your professional and academic achievements
- · Personal statement (up to 600 words) and a short-essay response to the program-related question in BusinessCAS
- · A minimum of two letters of recommendation required. Up to three may be submitted.
- · Recommender contacts may be submitted through the BusinessCAS portal within the Program Materials section of the application.
- TOEFL or IELTS score report A valid score (less than 2 years old) is required as proof of English proficiency for international applicants who did not receive a degree in the United States or a foreign country where English is the primary language. The following minimum score is required for admission to a graduate business degree program.
  - TOEFL 94 or above Institution Code: 5815
  - IELTS 7.0 or above Institution Code: 4861

We encourage candidates to upload unofficial transcripts and test scores with their BusinessCAS application in order to expedite the review of their file while official documents are processed.
