## Mission

The mission of the **Artist Diploma in Instrumental Conducting** program is:

- To provide students with the highest quality training possible to bridge academic training with technical preparation (score reading, rehearsal technique, and physical technique) that is necessary for an entry-level career as a professional artist;
- To provide students with performance opportunities that develop and demonstrate their ability to integrate musicianship and performance practice with limited academic requirements;
- To assist students with identifying opportunities and preparation for competitions, internships, apprenticeships, and other professional venues for the classical artist including contact strategies and specific competition preparation strategies.

## Student Learning Outcomes

- Students will develop instrumental Technique to an artist level. They should have the tools necessary to continue graduate study at elite level music schools or pursue professional careers as classical instrumentalists.
- Students will develop instrumental Expression to an artist level. They should develop their Expression to pursue professional careers as classical instrumentalists.
- Students will develop Creativity to professional performing artist level. They should have the tools necessary to create compelling and relevant performances that are on par with professional performing artists. The creativity will be based on aspects such as presentation, venue, staging, and collaboration.
