

# B.A./M.A IN LATIN AMERICAN STUDIES (FELLOWS IN LATIN AMERICAN STUDIES)

## FILAS (Fellows in Latin American Studies)

In this highly selective Honors Program, students follow a rigorous, accelerated curriculum to complete two degrees (B.A./M.A.) in Latin American and Caribbean Studies in five years, less time than would be required to obtain the degrees separately. The program provides exciting collaborative research, travel, and work opportunities. While students typically apply to the FILAS program upon their initial application to UM, we also welcome applicants in their first year of study at the University.

Working with UM's world-class faculty in various academic disciplines, FILAS participants design individualized curricula. In addition to the regular general education course requirements of the College of Arts and Sciences, *FILAS* students choose one focus track for their most advanced courses: Social Sciences, Law and Policy, Literature & Culture, Communication, Environmental Studies, Public Health, or History. For broad-based, multi-disciplinary preparation, students choose courses that focus on Latin America and the Caribbean. At least ten of these courses must be taken at the graduate level.

## FILAS Admission Requirements

- Top 10% of high school graduating class.
- Regular Application for Admission to the University of Miami. We recommend students submit their applications by November 15.
- Recommendations from three high school teachers.
- Statement of interest in FILAS, emphasizing prior language or area study
- To continue through the graduate level (MA Phase), students must maintain at least a 3.4 GPA.

## Curriculum Requirements

Code	Title	Credit Hours
<b>BA IN LATIN AMERICAN STUDIES (120 CREDITS)</b>		
<b>General Education Requirements</b>		
Written Communication Skills: <sup>1</sup>		
WRS 105	First-Year Writing I	3
WRS 106 or ENG 106	First-Year Writing II Writing About Literature and Culture	3
Quantitative Skills:		
MTH 108	Precalculus Mathematics II (or higher fulfilled through Math requirement)	
Areas of Knowledge:		
Arts & Humanities or People & Society Cognate (9 credits) (fulfilled through the major)		
People & Society or Arts & Humanities Cognate (depending on which one is fulfilled through the major)		9
STEM Cognate		9
<b>Additional Requirements</b>		
Mathematics, Computing & Statistics <sup>2</sup>		3
Second Language <sup>3</sup>		
Advanced Writing and Communication Requirement <sup>4</sup>		
<b>Advanced Language Proficiency in Spanish, French, Portuguese, or Haitian Creole</b>		<b>3</b>
Select one of the following:		
FRE 203	Advanced French	
HAI 201	Intermediate Haitian Creole I	
POR 202	Intermediate Portuguese II	
SPA 203	Advanced Spanish	
<b>Secondary Language Competence in another Latin American or Caribbean Language</b>		<b>3</b>
Select one of the following:		
FRE 105	Accelerated Elementary French	
HAI 102	Elementary Haitian Creole II ((or equivalent))	
POR 105	Beginning Portuguese for Spanish Speakers	

SPA 105	Accelerated Elementary Spanish	
<b>FILAS Specific Requirements</b>		
Select one gateway seminar in Latin American Studies		3
Select two History courses		6
Select two International Studies courses		6
Select two Economics courses		6
Select two advanced Languages and Literatures courses (SPA, POR, FRE, or HAI)		6
Select seven courses in Study Abroad		21
Select one course as Internship in Latin America		3
Select five courses above the 300-level (third-year) in a range of disciplines		15
Select ten courses in one focus track		30
<b>MA IN LATIN AMERICAN STUDIES REQUIREMENTS</b>		<b>30</b>
Please refer to the link below for M.A. in Latin American Studies requirements.		
<a href="https://bulletin.miami.edu/graduate-academic-programs/arts-sciences/latin-american-studies">https://bulletin.miami.edu/graduate-academic-programs/arts-sciences/latin-american-studies</a> ( <a href="https://bulletin.miami.edu/graduate-academic-programs/arts-sciences/latin-american-studies/">https://bulletin.miami.edu/graduate-academic-programs/arts-sciences/latin-american-studies/</a> )		
<b>Total Credit Hours</b>		<b>159</b>

- <sup>1</sup> Certain AP/IB scores may be used to fulfill the Composition requirement as credit. If Transfer students transfer one of the two above, but not both, they may take WRS 208 to complete the requirement. WRS 105 must be taken unless exempted by SAT/V or ACT/V scores (does not include credits).
- <sup>2</sup> MTH 108 or higher. Unless exempted by AP/IB, or UM placement test. UM placement test does not include credits. Prerequisites must be met before enrolling in MTH courses.
- <sup>3</sup> Students must take at least three credits in a language other than English at the 200-level or higher. Prerequisites may be required. Courses taken in order to meet this requirement, including necessary prerequisite courses to the 200 level courses, cannot be used in cognates seen below. FILAS students already fulfill this requirement when completing the language requirements cited below.
- <sup>4</sup> Degree candidates must complete at least four writing courses, and at least one such course must be in the student's major discipline.
- <sup>5</sup> Typically, students must complete a minimum of three cognates, one from each of the three areas of the University curriculum: Arts & Humanities; People & Society; and Science, Technology, Engineering & Mathematics. A cognate is a minimum of 9 credit hours, however it can be more. Each major/minor fulfills the cognate requirement in one Area of Knowledge. However, FILAS students must complete only the STEM Cognate as the FILAS program fulfills the Arts & Humanities and People & Society cognates. To avoid additional course credits, please select a STEM Cognate that includes a Natural Science course to concurrently fulfill this CAS general education requirement. According to the Collage of Arts & Sciences, "three credits must be earned from one of the following departments: Biology, Chemistry, Ecosystem Science & Policy (only ECS 111, ECS 112, or ECS 202), Geological Sciences, Marine Science (except MSC 313 and MSC 314), Physical Science, or Physics. APY 203 and GEG 120 may also count. These credits may double count with any other requirement, e.g., courses in the STEM cognate."

Disclaimer: This is a model plan of study only. It is not guaranteed that every course will be available in the year/semester noted below.

## Sample Plan of Study

Year One		Credit Hours
<b>Fall</b>		
WRS 105	First-Year Writing I	3
LAS 101	Introduction to Latin American and Caribbean Studies	3
MTH 113	Finite Mathematics	3
