

# MINOR IN FRENCH

## Overview

A minor in French consists of at least 12 credit hours starting with FRE 202. Students must earn a grade of C- or higher in every course counting toward the minor, and with a cumulative GPA of at least 2.5 in the minor.

You do not have to be a student of the College of Arts and Sciences for the minor in French; you need only the approval of your college or school advisor and to complete the departmental requirements.

Students with transfer credit hours must take at least 6 graded credit hours at the 300- and 400-level at the University of Miami. Up to 3 credit hours may be transferred towards the French minor from another institution or non-UM study abroad program. Credits must be taken at the University of Miami.

French minors must take FRE 301 before taking any other courses at the 300- or 400-level because this is the pre-requisite for all other 300- and 400-level courses.

The French minor can fulfill either the Arts & Humanities or the People & Society Area of Knowledge.
