

# MINOR IN FINANCIAL TECHNOLOGY

## Overview

Minor Area of Specialization in Financial Technology (STEM)

The minor in Financial Technology (FinTech) is for Miami Herbert Business School students who wish to better understand the delivery and use of financial services through use of technological innovation and automation of the financial sector. The FinTech minor combines classes in both Finance and Business Technology and prepares students for careers in the broader FinTech industry.

## Curriculum Requirements

The 12-credit-hour minor in Financial Technology consists of the following (all courses must be taken within the current pre-requisite structure):
