

# MINOR IN BUSINESS ANALYTICS (FOR BSBA STUDENTS)

## Overview

Minor Area of Specialization in Business Analytics (STEM)

Miami Herbert Business School students pursuing the BSBA who choose the minor area of specialization in Business Analytics are trained to combine quantitative, statistical, and computational tools and techniques to help companies understand, predict, and act on large amounts of data, improving decision-making in increasingly complex and interconnected business environments.

## Curriculum Requirements

The 12-credit-hour minor in Business Analytics for BSBA students consists of the following:

Code	Title	Credit Hours
<b>Required Courses <sup>1</sup></b>
