

# MINOR IN MANAGEMENT FOR NON-BUSINESS STUDENTS

## Overview

Minor Area of Specialization in Management for Non-Business Students (People & Society)

Non-Business students in any school or college may pursue a minor in Management. Interested students should consult with an academic advisor *in the School or College of their degree/major* to determine if a minor in Management is acceptable. If so, neither advice nor consent from either the Office of Undergraduate Business Education or the Management Department is necessary for a student to choose or complete a minor in Management. Instead the non-business student should simply declare the Management minor and complete the required 12 credit hours of Management courses.
